STATE LEADERSHIP MOTION TO INCORPORATE AS INDIANA OATH KEEPERS

We, the State Leadership Group of Indiana Oath Keepers, do hereby move Indiana Oath Keepers to form an Indiana nonprofit corporation named: **INDIANA OATH KEEPERS, AN INDIANA NONPROFIT CORPORATION.**

The purpose of the corporation will be to inspire current-serving and former military, police, and first responders to fulfill the oath they swore to support and defend the Constitution, by teaching them more about the Constitution they swore to defend. This inspiration reaches out as well to our like-minded friends and neighbors.

The reason for the above Motion is to enable Indiana Oath Keepers to raise the funds necessary to accomplish the mission of Oath Keepers (the national organization) here in Indiana and cover the requisite expenses therefor by means of a corporate bank account. **To DO this, we MUST be a LEGAL entity.**

Dear President Rhodes (and National Board Members copied hereto):

We in Indiana are working hard to fulfill the Oath Keepers (National) mission here in Indiana and greatly appreciate your vision to call America back to her Constitutional principles.

In order to best realize that vision in our State, we need a legal means to raise funds to cover the necessary expenses.

Therefore, we believe our best solution is to incorporate as Indiana Oath Keepers, in order to better serve Indiana in cooperation with Oath Keepers (National).

We will bring this idea to our members at our State Convention in May, stressing to them that our incorporation in NO way separates us from the National organization but, rather, is intended to enable Indiana Oath Keepers to better accomplish the mission of the National organization.

We believe this will be the best way to further the cause of Oath Keepers in Indiana in accordance with the intents and purposes of Oath Keepers (National).

Again, thank you for all that you do--for God, for Country, and for Oath Keepers. We cannot stress enough our appreciation to Oath Keepers (National) for (1) the great work you do for the benefit of our Republic and (2) the guidance you provide to the Oath Keepers in every State to accomplish the Oath Keepers mission.

We look forward to continuing our work as Oath Keepers in Indiana in cooperation with Oath Keepers (National) and the Oath Keepers in the other States of our great Nation.

For God, Country, the Constitution, and Liberty,
INDIANA OATH KEEPERS
STATE LEADERSHIP GROUP

As a board member who is very familiar with the Indiana team. I can say that I fully support this move. I don't believe that the Indiana team intends to screw over national like we have experienced with before. The Indiana team is a great group of folks and have the best intentions of OK in mind.
